Gallery Procedures and Regulations

Arati Artists Gallery, Inc. began as a group of 15 local artists in 1977, in the neighborhood of Colorado Springs called Old Colorado City. Over the years we have grown and incorporated to protect the liability of the organization and each individual member. Arati offers the public a low pressure, gracious setting that specializes in affordable, original art.

We have learned that our success is based on each member's continuing artistic growth and participation in all aspects of this business. Our congeniality and willingness to go the extra mile for each other are our strengths. Gallery membership is decided by consensus of all members, and we seek artwork that represents our standards of quality and originality.

Members staff the Gallery 2 to 3 shifts per month. In addition, members are required to attend meetings (generally on the third Monday of each month at 9:00 a.m.), to serve on various committees and in official positions, and all are encouraged to attend Art Walk receptions sponsored by individual artists or the Gallery.

Financial obligations include:

- A \$70 monthly fee.
- A \$25 one-time non-refundable joining fee.
- A \$50 one-time corporation share purchase, which is refundable upon termination of membership if artist dues are paid in full.
- Arati Artists Gallery will retain a 15% commission on all artworks sold.

New members are required to have a page on our website: aratiartistsgallery.com with their bio, art statement and pictures of their current artwork.
